

EDUCATION

B.Tech, Computer Science & Engineering

K.R. Mangalam University

2023 - 2027

WORK EXPERIENCE

Programing And Machine Learning Project

Atharvo Pvt Ltd., Virtual

Internship • Jan 2024 - Feb 2024 (1 month)

online internship focused on machine learning and programming skills. I Gain hands-on experience in designing and optimizing ML models. Enhance skills in a dynamic, remote environment.

Programming And Data Science Project

Bharat Intern, Virtual

Internship • Jan 2024 - Feb 2024 (1 month)

In this internship, I developed:

Spam Detection App: Created an ML model to filter spam messages.

Titanic Survival Prediction: Built a model to predict Titanic passenger survival with high accuracy.

TRAININGS

Python For Data Science

IBM, Online

Oct 2023 - Nov 2023

Machine Learning With Python

IBM, Online

Sep 2023 - Nov 2023

Data Analytics With Python

IBM, Online

Aug 2023 - Nov 2023

Data Visualization With Python

IBM, Online

Jan 2023 - May 2023

PROJECTS

EMS - Business Intelligence Tool

Dec 2023 - May 2024

https://github.com/Rizwansaifi571/EMS_2.0

EMS - Business Intelligence Tool: Developed a comprehensive software tool facilitating data analytics, visualization, and machine learning, enhancing user accessibility to data science tasks.

SKILLS

JavaScript Intermediate	Python Advanced
Data Analytics Advanced	Data Science Intermediate
Machine Learning Intermediate	Tableau Intermediate
Problem Solving Advanced	

WORK SAMPLES

GitHub profile
